The Cucamonga District Host Lions Club will present its 9th Annual Sip for Sight, Gourmet Wine Tasting Dinner on Saturday evening, March 14, 2015. Join local politicians, business and community leaders to benefit:

- Blind Buddies Golf Tournament is a golf experience for sight challenged athletes experiencing golf. With the help of a sighted person, blind golfers are able to learn the basics and even play a few holes.
- Lions Friends In Sight provides thousands of free eye exams and glasses to those in need. Our club, along with others in Southern California work with Lions Friends in Sight putting on 24 vision screenings per year. Using new and recycled glasses, our mobile clinics offer free examinations and glasses for anyone who needs them.
- Lions Clubs International Foundation (LCIF) supports Lions' compassionate works by providing grant funding for their local and global humanitarian efforts.
- Lions Camp at Terisita Pines provides a beautiful mountain facility for group camping emphasizing the needs of the blind and disabled.
- Scholarships for local students of Rancho Cucamonga
- Reading Programs for local elementary students

We are looking for sponsorships to support the local communities of Rancho Cucamonga, Fontana, Ontario and Montclair. We work all year spending on programs benefiting hundreds of needy people making sure 100% of sponsorship dollars are spent on helping people.

On behalf of the Cucamonga District Host Lions, we thank you in advance for your help in making this event a great success.

If you have any questions please do not hesitate to contact Shari or Andy Megaw, (909) 945-5888 (work) or home (909) 980-8271 or email at andymegaw@yahoo.com
